The only bright spot is the butterfly garden she's helping to build, and the journal of butterflies that she keeps. When Agnes's grandmother makes an unexpected visit to the commune, she discovers a violent secret that the Believers are desperate to keep quiet. And when Agnes's little brother is seriously injured and Emmanuel refuses to send him to a hospital, Nana Pete takes the three children and escapes the commune. Their journey begins an exploration of faith, friendship, religion and family for the two girls, as Agnes clings to her familiar faith while Honey desperately...

Only that if she raises her voice or leaves her mark or ventures too far from home, she'll risk falling flat on her face. But that all changes when Wren's cousin, Silver, walks into her life. Silver is totally fearless. Maybe that's why she's the most popular girl in the sixth grade. She dares Wren to take risks, to live out loud, to finally spread her wings. And when Silver decides to undertake the journey of a lifetime, Wren is forced to make a decision: Is she in or is she out? There's only one way Wren will ever learn to fly. It's time for her to stand at the edge of the unknown...and jump. Full of heartache and hope, *The World From Up Here* is a tender, moving story about old secrets and new friendships, anxiety and Asperger syndrome, and what it means to face the things that scare us most.

**The Odds of You and Me** - Cecilia Galante 2017-01-31 In
the vein of Meg Donohue and Sarah Jio, Cecilia Galante’s second novel delivers the powerful story of one young woman who’s faced with an impossible choice—one that could have her making the biggest mistake of her life. Thirteen days. That’s all Bernadette, “Bird,” Sincavage has left to go until she’s done with her probation and can be free again. Free from making payments to the supermarket she wrote bad checks to. Free from living at home with her overzealous mother who’s constantly nagging her about attending church again. Free to give her four-year-old son, Angus, the normal life he deserves. Her impending freedom and move to Moon Lake, where she’s plunked down a deposit on a brand new apartment, is so close she can almost taste it. What trouble could she possibly get into in just thirteen days? But trouble does follow in the form of James Rittenhouse—someone she worked with a few years ago. At first, Bird is stunned to see James make the evening news when he’s arrested for assaulting someone in a local bar. But that’s nothing compared to the shock she gets when she discovers James hiding out in an abandoned church choir loft. Somehow he escaped police custody, broke his leg, and got his hand on a gun, which he’s now pointing at her. Although Bird doesn’t tell anyone she saw James, there’s no way she’s helping him. She can’t screw up her probation or her second chance for a new future. And she has her son’s welfare to think about. Still. If only she could stop thinking about the terrified look in James’ eyes and the fact that he’s hurt. If only she could forget that once, long ago, James helped her out, and she owes him a debt like no other. Will Bird jeopardize her future for someone who helped her out in the past? A past that holds secrets she’s not quite sure she’s ready to face? Or will she turn a blind eye and learn to live with the consequences?

The Invisibles—Cecilia Galante 2015-08-04 In the vein of Meg Donohue and Jennifer Close, comes Cecilia Galante’s adult debut about the complicated and powerful
bonds of female friendship—a compelling, moving novel that is told in both the present and the past. Thrown together by chance as teenagers at Turning Winds Home for Girls, Nora, Ozzie, Monica, and Grace quickly bond over their troubled pasts and form their own family which they dub The Invisibles. But when tragedy strikes after graduation, Nora is left to deal with the horrifying aftermath alone as the other three girls leave home and don’t look back. Fourteen years later, Nora is living a quiet, single life working in the local library. She is content to focus on her collection of “first lines” (her favorite opening lines from novels) and her dog, Alice Walker, when out-of-the-blue Ozzie calls her on her thirty-second birthday. But after all these years, Ozzie hasn’t called her to wish a happy birthday. Instead, she tells Nora that Grace attempted suicide and is pleading for The Invisibles to convene again. Nora is torn: she is thrilled at the thought of being in touch with her friends, and yet she is hesitant at seeing these women after such a long and silent period of time. Bolstered by her friends at the library, Nora joins The Invisibles in Chicago for a reunion that sets off an extraordinary chain of events that will change each of their lives forever. The Invisibles is an unforgettable novel that asks the questions: How much of our pasts define our present selves? And what does it take to let go of some of our most painful wounds and move on?

She avoids looking at people directly—because she can see their pain as bright, colorful shapes. And she avoids Cassie Jackson, who used her in a sinister ritual months ago, although Marin’s not exactly sure why. When Cassie stands up at school, screaming, raking her nails down her cheeks, and pointing a finger at Marin, whispering “YOU,” Marin’s days of avoidance come to an abrupt end. Cassie’s older brother believes that Marin holds the secret to Cassie’s illness. So they team up to solve the mystery of what Cassie has unleashed. But as they look deeper into the darkness, can Marin trust what she sees?
